

Natural Resources Seasonal/Intern

Wage: \$15.00/hr

Application Deadline: Position is open until filled

Duties: Under the direction of the Natural Resources Manager, this position will assist with natural areas management and habitat restoration throughout Macon County. The majority of work will be outdoors. Most of the work is physical, and will include the use of equipment such as hand tools, power tools, machinery, and herbicides.

Qualifications: Graduation from, or current enrollment in a forestry, wildlife, fisheries, ecology, zoology, or other related biological program at an accredited college or university. The ability to identify prairie plants and tree species of Illinois is preferred. Experience with safe operation of power equipment preferred. Applicant must possess or be able to acquire an Illinois pesticide applicator or operator license. Official internship status not required but encouraged.

Valid driver's license and clean driving history. Drug test, background check, and physical will be required.

To apply: Applications available on line at www.MaconCCD.org or at Macon County Conservation District business office located at the Rock Springs Nature Center, 3939 Nearing Lane, Decatur, IL 62521.
